Heroes of the Faith – Jephthah **Hebrews 11:32**

Introduction:

In the 32nd verse of Hebrews 11, four of the names that are mentioned come from the Book of Judges. This is instructive for a couple of reasons. For one, God has His faithful in every generation. This is a different time period than the ones mentioned before and the ones mentioned after. Secondly, it is especially instructive to consider the context of the Book of Judges...

Jdg 17:6 In those days *there was* no king in Israel, *but* every man did *that which was* right in his own eyes.

This is the day in which we live today. There are crazy thoughts about God and how to come to Him and we are seeing crazy things happen in our society, more crazy than ever before.
